Testimonials

"My experience in Special Care Counselling has been fantastic! The combination of a wonderful and dedicated staff, an affordable service, and working at my own pace has made the journey enjoyable and stress-free. In my opinion, the RAC process is excellent and very relevant for anyone who would like to further develop their knowledge and skills. In today's competitive job market, I have been able to distinguish myself among my colleagues, and have broadened my career options."
- George Fowler

"I'm a graduate from the first cohort to participate in the RAC-SCC Distance Program. What motivated me to take this program was to fulfill a requirement to become a Behavior Technician at Eastern Shores School Board. Prior to this program, there was no English CEGEP which offered this at a distance. This program has opened doors for me. The schedule was convenient: seminars are scheduled in the evenings. This helped me manage balancing home, work, and school life."
- Natasha Devouge Trudel

Acquire an AEC in Special Care Counselling

RAC SERVICES

Recognition of Acquired Competencies (RAC) provides a process to receive academic recognition for competencies (skills and knowledge) acquired on the job or through volunteer and life experience.

RAC IN SPECIAL CARE COUNSELLING

RAC is for individuals who have experience working in the Special Care Counselling field, but lack formal recognition and want to get ahead.

EARN AN AEC IN SPECIAL CARE COUNSELLING

RAC awards an official Attestation d'Études Collégiales (AEC) upon completion of the program. The AEC is recognized by the Province of Québec's Ministère de l'Éducation et de l'Enseignement supérieur.

Choose the option that works best for you

RAC-SCC ONSITE

Attend seminars and class activities in person at our modern facilities at Champlain College in St. Lambert. We are very easy to access by public transit or car. Classes are offered one evening per week and two Saturdays (daytime) per month.

RAC-SCC VIA DISTANCE

If you live outside the Montreal/South Shore region, and would find it more convenient to learn via distance, you could consider our Distance option. Distance candidates meet via Zoom, an online videoconferencing platform. Seminars and class activities are offered one evening per week plus two Sunday evenings per month.

RAC-SCC COHORTS BECOME COMMUNITIES

Whether you choose the onsite or the distance option, when you join a cohort, you become a member of a friendly, supportive community of learners.
